

### No Objection Certificate

This is to certify that Mr. Rutvik Rajendra Pawar, a student of MIT Academy of Engineering, Alandi (D), Pune, has been associated with Bosch Limited, Nashik, as an Intern for a period of five months.

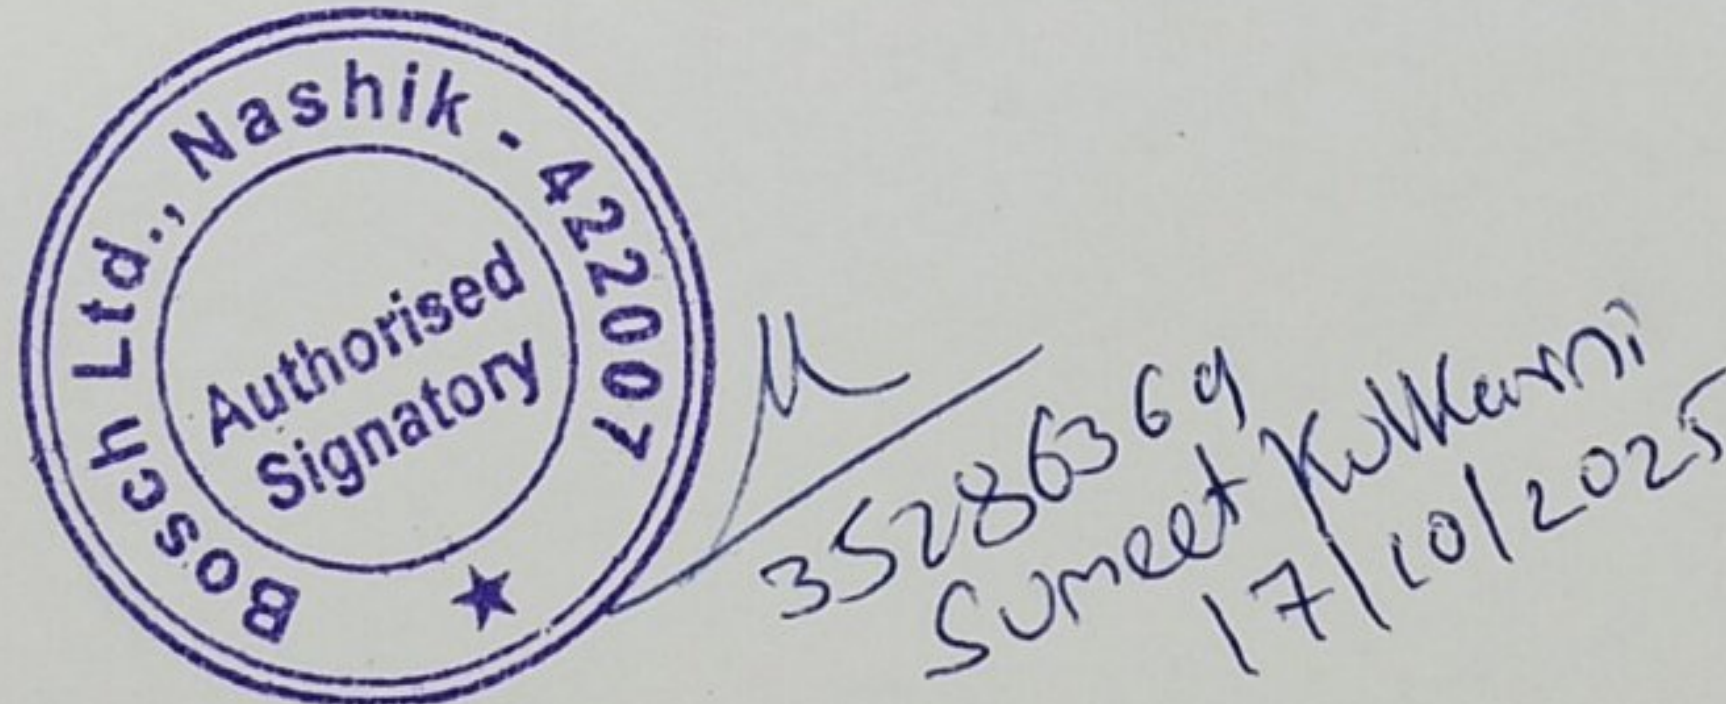

During his internship, he has actively contributed to various assignments in the Logistics and Operations Management (LOM) Department, demonstrating commitment, learning attitude, and professionalism throughout his tenure.

We have no objection to him undertaking and completing his academic project work titled "Reduction in Material Preparation Time through Change Over of Flow-Oriented Layout" within our organization. The project work has been carried out as part of his industrial practicum in fulfillment of the requirements of his Bachelor of Technology (Mechanical) program under Savitribai Phule Pune University.

We also have no objection to him submitting this project report to the Director, MIT Academy of Engineering, Alandi (D), Pune, for academic evaluation and certification purposes.

We extend our best wishes to Mr. Rutvik Rajendra Pawar for his continued success in his academic and professional endeavors.
